

COLO-PREVENT

A platform for developing COLOrectal cancer PREVENTion therapies

CI DROP-IN SESSIONS

We are hosting CI drop-in sessions every week on alternative Wednesdays and Thursdays. This is a great opportunity for Research teams to share their experiences, ask questions, get recruitment tips from other sites or anything else that you wish to raise. It is a short 30 minute session from 1 to 1:30 pm. Hope to see as many of you as possible. Please make use of this opportunity to speak with Karen Brown, Ajay Verma (incoming CI) and Senior Trial manager Nafisa Boota.

Dates to look out for in May

03.05.2023 1:00 to 1:30 pm

11.05.2023 1:00 to 1:30 pm

17.05.2023 1:00 to 1:30 pm

25.05.2023 1:00 to 1:30 pm

31.05.2023 1:00 to 1:30 pm

WELCOME

Total patients randomised

So far 4 participants have been randomised in COLO-PREVENT. The King's Mill team are leading in participant recruitment with 3 participants randomised. Another participant has been recruited from South Tyneside. A massive well done and thank you for your hard work. We are looking forward to more participants being recruited in this study in the coming weeks. Please can all sites aim to randomise at least 1 participant per month.

Changes to SAE reporting

Sponsor has made changes to the SAE reporting (S-1009) and Training for staff SOPs (S-1020). Please use the **COLO-PREVENT SAE Reporting Form A Including Cover sheet** going forward for any SAE reporting. A cover sheet has been added to capture details for onward reporting to pharma companies/manufacturers. There is also a new **SOP Read log** for staff to read and sign who have tasks 18,19, 20 on the Delegation Log. Current open sites have been emailed this information. If you have any further questions, please do not hesitate to contact us coloprevent@leicester.ac.uk.
